I've got it now!

The reason  
behind his  
pretty voice.

You are still a kid!  
Still a boy!  
That's why your voice  
is so high-pitched!

You haven't  
even gone through  
Puberty!

Oh, I see.

THAT'S NOT TRUE!

Quick, you are

Chapter 7

Don't jump to conclusions!

Anyway, I hope we  
won't see each other  
ever again.!

What a  
bustle

There always  
passed many times  
I can feel.

Did that come  
off not good ?

well ..

It sounded like when  
guys try to hit on  
girls and tell them  
'Can't you break out ?'

uh ?

What is that for  
about ?

Why are you  
reading  
Richard Matheson's  
books ?

What ?

The book  
you are  
reading

What are you  
reading?

Alfred Hitchcock.

Come  
on.

Is it fun?

Yes?

Are you serious?

Ha...

Not really.

Yeah, uh ?

Jin-Hong ?

You already  
know his name.

So, it's him this time ?

well...

To be honest,  
i don't know

You don't have  
after you're  
from entering  
are?

i did not!

The other kid says  
"Are you scared of me?"  
and wants to go  
out with him by buying  
him snacks.

He says  
"Yes!"

Come on, not  
everything I do  
and say need to  
be related to  
that sort of thing

If you didn't know  
what you were doing  
then, you are a  
master player!

You've got it  
all wrong!  
It's all because  
of his eyes!

All the  
eyes!

Yes.

Whatever he  
looks at me...

All eyes

Slight tears would gather in his eyes

His youth makes  
me feel like -  
playing around  
with Ron.

well...  
that is all

That was more than  
enough for you to  
fall for a guy

I am going to  
fly away and will  
never come on!

I am gonna forget  
there was ever  
you! stuff!

I can

If all else fails  
and I can't find  
a single guy for  
me, you will be  
my backup!

Forget it.

well

It's always easier to  
be cold than down.  
Live it up!

I am back.

Remember back  
You missed the  
train, go to  
bed.

Forget it, well  
There is, there's  
never back home  
I beg you

I want you!

Good night!

Right

Don't  
forget...

Don't  
forget to  
check out  
the new  
edition of  
the book  
that's  
the best  
of the best.

Why, that.

Should you get ready to  
go to school? ?

Worrying  
already? ?

Yeah, I have no  
idea why you are  
making your life  
harder.

What does  
it do? ?

Our friends know.  
They're making your  
family worried!

Besides, do you  
think you can  
study properly  
like this?

100%

What?

What are you  
staring so hard  
at?

Sh-Hui from  
Intending girls!  
I've met her on  
my cell wallpaper!

Speaking of which,  
do you like such girls  
that much?

*Come on, You are a  
functioning guy. You  
aren't you?*  
*If I were to have a  
girlfriend, I'd rather  
have a girlfriend like  
Shizuo*

*Not really*

*Don't let yourself

change!*

*Do you think  
you are hands  
off like that?*

*What?*

*If your girlfriend  
is that good,*

*Imagine how many  
guys will try to take  
her away from you.*

ANIME

So what?

As long as she is  
mine and I get to  
look at her all day  
long... I will have no  
problem.

Just let your heart be as still as this... Ping Pong.

I am not...

Steady...

What makes you  
grumpy?

Trying to know  
such a girl all  
by yourself... is it?  
Is it not?

It's kinda  
grumpy.

What the hell is wrong  
with trying to make her  
all mine and mine only?

Who are you calling  
"her"?

Are you calling  
Se-ron a bitch?

*If my girlfriend was  
pretty and she goes  
around other guys.*

*And if I know  
what was going on...*

*I'd go nuts*

*Just who the hell  
are you talking  
about?*

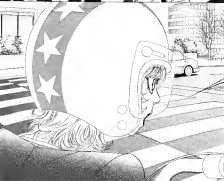

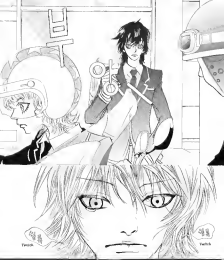

... That's it ? You are going to just leave me here ?

The new Minibits season is volume 4.

Help him out!

I am firmly read

This is like  
a scam !

I don't want  
this, so don't  
pull it out now.

What  
mean  
it ?

Min-Oh,  
she used to  
be the big

What?

What a kind of

What? Really?  
The cat lord accepts  
how you behave and looks

What?  
Is that's wrong  
with me?

Now, now,  
you are doing

frightening

I am telling you  
just in case.

I am not interested  
in you at all, so don't  
get any ideas !

What are you  
talking about?

If you are too  
dumb to get it,  
forget it.

Why did you stare  
at me like that then?

Hmph, what  
a waste!

Why are you  
running away  
then?

What's with  
that guy?

Huyền - Ai

Đừng, đừng

Huyền - Sao ?

Không.

Give me your  
hand for a sec

Come on!  
Come on!

Hurry up!  
Come on!

What is  
this?

What?

*I am not talking about  
this pair of honest and  
polluted eyes!*

What?  
Why?

*They aren't making  
my heart race!*

Why?

Come on !  
Just do it !

You ought to have  
some tricks under  
your sleeve !  
You have lots of  
girls !

No ! I am not  
letting you go  
until you  
do me !

Let it  
go !

Let go !

Do you know  
what you are  
saying ?  
Don't be  
ridiculous !

I know what  
I am saying !  
Just don't go  
all the way !

What the hell ...

All I was doing  
was holding his  
hand.

And my heart was  
in a race.

His eyes were burning  
with love ! Then he told  
me off and ran away !  
It's not like I did  
anything !

Really ?

Maybe !

I recall you saying  
that his eyes were  
filled with tears or  
something

Yes, I did say so !  
But this time, they  
were burning like  
fire !

Maybe his  
tears are  
poisoned

what?

Angry?

I don't get what he  
is thinking. His actions  
and eyes are saying  
totally opposite things.

It's actually  
very easy to  
read. You  
should know.

What ?

But ...

Even if I can see what  
that shop's I can't read  
their words ...

I can imagine what  
they may be thinking

But reading  
what they are  
thinking is a lot harder  
than it sounds

It's hard when

Want a bag ?

So, you were the one ?

i thought the  
guy (m- bag)  
was

was a playing  
type

Anyway, what the  
hell is he doing with

house ? It's well past  
mid night !

Dude, did you see  
that couple ?  
They were hot !
